Gold Supporters:

CONFERENCE HIGHLIGHT:

Two MD's will share in a panel conversation on the lived experience of a fatality and then a prosecution or litigation – before, during and after the event!! A truly unique opportunity to hear about the impact from the business owner / managing director view!

TOPICS:

- Leading your organisation into a psychosocially safe workplace and your personal actions that build it or undermine it
- The Legal complications and challenges of contractor safety management
- The impossible burden of legislation – am I always guilty?
- My decisions that put me at risk – how do we help smart and diligent employees to not put themselves at risk?
- Embedding the Risk Assessment Framework as the backbone of your safety in operation
- WA injury data – the numbers, analysis and predictions

PANEL DISCUSSION:

What safety leadership by a CEO or Senior Executive actually looks like!

SPEAKERS:

- Charlotte Ingham, Psychosocial Leadership
- Mick Hannam, Managing Director of ThinkRisk
- Robert Greig, Director of Greigs Safety and Employment Lawyers
- Anthony Livermore, Senior WHS Consultant at Safety Solutions WA
- Danielle McNamee, Managing Director of Processworx
